**New Operations Manager joins the Allegro Builders' team**

HOUSTON (October 16, 2006) – Allegro Builders, an award winning, custom home builder recognized for its professional integrity, exemplary workmanship and exquisite craftsmanship, welcomes Edward Sabo to its management team.

Effective immediately, Edward Sabo takes the reigns as Operations Manager. His responsibilities include coordinating with engineers, initial concepts, acquisitions, sales assistance, marketing and contract reviews.

His experience includes six years global materials and transition management as Business Planning Manager, World-Wide Commercial Supply Chain at Hewlett-Packard. Ed was responsible for managing suppliers in the Asia Pacific region, including China. His expertise includes transition planning, ad hoc analysis, as well as preparing financial impact statements used to drive business decisions.

Ed was an integral part of the construction of the Harris County Criminal Justice Center at 1201 Franklin Street. He spent fourteen months providing commercial construction project management for the mechanical, electrical and plumbing systems.

“Allegro Builders inspired me to re-enter the construction industry when I learned of their vision to build period style homes in the inner loop neighborhoods,” Ed says “My experience with the Harris County Criminal Justice Center really got me excited about the transitional landscape of the downtown/inner loop area.”

Ed received a Construction Science degree from Texas A&M University in 1996 and a MBA with a concentration in Finance from Houston Baptist University in 2001.

He has also completed the Builders Academy of Houston program that focuses eleven weeks of instruction on the residential building process for the gulf cost region.

**About Allegro Builders**

Allegro Builders is headquartered in The Heights and provides custom-built homes in the Houston Heights, Woodland Heights, Midtown, Montrose, Memorial, West University and Bellaire area. Allegro is widely known for incorporating the history and prevailing architectural styles of these unique neighborhoods into each of their homes. Allegro Builders is a rapidly growing, privately held, single-family homebuilder that specializes in the development of \$500,000 to \$2 million period and custom homes. With revenues doubling every year for the past four years, Allegro constructs distinctive custom and spec homes that blend in and compliment the streetscapes while preserving the history and architectural styles of Houston's most established Inner Loop neighborhoods. Allegro placed first in a variety of categories in the **2006**

**GHBA's Prism Awards, 2005 Fall Bellaire New Home Showcase, 2005 Greater Houston Builders' Association PRISM Awards, 2005 Houston Heights Christmas Home Tour and the 2004 Texas Association of Builders Star Awards.** For More information, go to:
